ORDER

On September 26, 2000, the Joint City-County Planning Commission of Nelson County (the "Planning Commission") met to review the application submitted in this case. The Planning Commission voted unanimously, pursuant to KRS 100.987, to reject the proposal to construct a tower at the site specified in the application, and duly informed the Commission by letter dated September 27, 2000.

Pursuant to 807 KAR 5:063, Section 3, the Joint Applicants in this case, Crown Communication Inc. and ACC of Kentucky, LLC, should notify this Commission and the Planning Commission, as well as those persons who submitted testimony to the Planning Commission, as to whether they wish to request override of the rejection. Pursuant to 807 KAR 5:063, Section 3, a request for override should include a statement that no acceptable alternative site exists, together with documentation demonstrating attempts to secure such an alternative.

If override is requested, the Planning Commission may, within 10 days of the date of the request for override, file a motion to intervene in these proceedings and request a hearing.

The Commission being sufficiently advised, IT IS THEREFORE ORDERED that:

1. Joint Applicants shall file, within 30 days of the date of this Order, a statement as to whether they wish to request override of the Planning Commission rejection of their Joint Application.

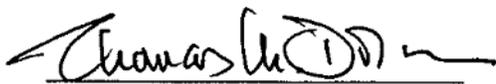

2. If no such statement is filed, this case will be dismissed from the Commission's docket.

3. If Joint Applicants file a request for override, together with the documentation required by 807 KAR Section 3, within 30 days of the date of this Order, the Planning Commission may, within 10 days of the date of Joint Applicants' filing, file motions for intervention and a hearing.

Done at Frankfort, Kentucky, this 1st day of October, 2000.
